For women and youth in the Global South Japan-style "Monozukuri(Manufacturing)" human resource skills empowerment support program

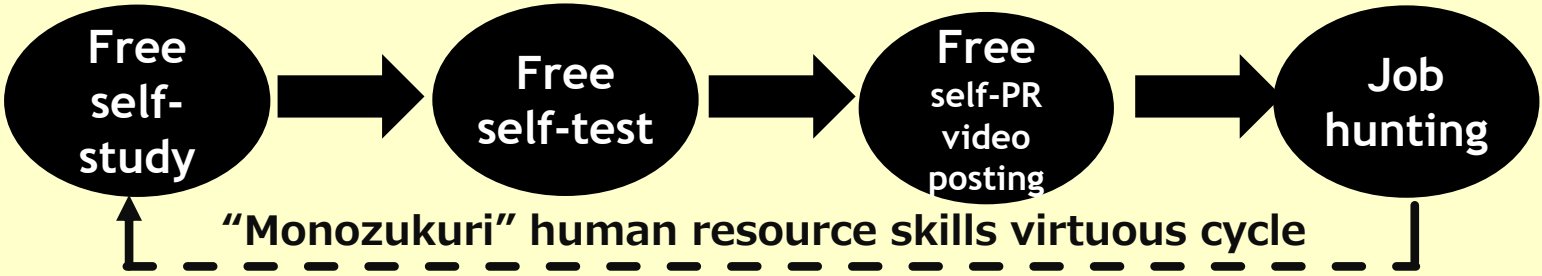

【Learn in your native language/Japan-style "Monozukuri" skill learning & employment support platform】

You can learn the Japan-style "Monozukuri" human resources skills that lead the world's "Monozukuri" using your smartphone, anytime, anywhere, in your native language. Whether you're at home or on the move, as long as you have an internet connection, you can learn Japan-style "Monozukuri" human resources skills and employment development know-how that connect Japanese tradition and innovation.

MLT&R - Learning , Testing & Recruiting(MLT&R Tool)-

To those involved in "Monozukuri" and to all women and young people who want to learn.

Women and young people in the Global South can save time by combining self-study in their native language, self-testing and self-evaluation, and posting videos to promote themselves. You can use it anytime and anywhere, regardless of where you are.

【9 languages + 2 languages supported】

Japanese, English, Spanish, Arabic, Thai, Indonesian, Vietnamese, Hindi, French + Portuguese, Bengali

It is available in the native language of over 130 countries, including those in the Global South.

*For requests in other languages, please contact the secretariat via email (info@monoken.org).

● **Self-study, self-testing, and job hunting are all free!!**

Easy to start!!

By registering for an account, you can watch course videos, take self-tests, and post self-promotion videos.

It's possible for free. Scan the QR code on the left now to get your "Monozukuri" Start your learning journey.
