【Learn in your native language, Japan-style "Monozukuri" skill improvement and job creation support free seminar】

The Japan-style "Monozukuri" human resources skills that lead the world's "Monozukuri"

You can learn in your native language anytime, anywhere using your PC or smartphone, and it also leads to employment development.

Connecting Japanese tradition and innovation at home or on the go as long as you are connected to the internet

Japan-style "Monozukuri" leads to improvement of human resources Upskilling and job creation.

GOOD Learning! GOOD Testing! GOOD Job!

■What is MLT&R Tool?

For those involved in Japan-style "Monozukuri" and for women and young people who want to learn.

Women and young people in the Global South can use the MLT&R tool, a straight line for learning, evaluation, and recruitment.

Self-study, self-testing and self-evaluation, and promoting your own employment development in your native language

By doing so, the purpose is to support hunger and poverty countermeasures and to correct disparities.

■Japan-style "Monozukuri" virtuous cycle

【Self-study】 → 【Self-test】 → 【Post self-promotion video】 → 【Employment development】
